President George W. Bush to Speak at C of O

President George W. Bush will speak on "Leadership and Character" at College of the Ozarks on April 7th, at 7 p.m. in the Howell W. Keeter Athletic Complex. As the 43rd President of the United States, President Bush served in the Oval Office for eight very consequential years in American history. Faced with challenges ranging from a terrorist attack to a global financial crisis, he made difficult decisions that will shape the nation's course and world affairs for decades to come.

"The College is honored to welcome President Bush to campus," said Dr. Sue Head, executive director of The Keeter Center for Character Education. "It will be a wonderful opportunity for students to hear him speak on leadership and character, which he has consistently demonstrated for the American people."
